## **Imagine...**

- **A child who goes to bed hungry every night because her mother can't afford to buy groceries.**
- **A child who hides in her closet so she can't hear her parents fighting.**
- **A child who is cold because her family can't afford to pay the electric bill.**
- **A child who gets picked on at school because she lives in poverty.**

**Now imagine this was your child.**

**Donate to the United Way of Chatham County to create a brighter future for our children.**
