Imagine...

- A child who goes to bed hungry every night because her mother can't afford to buy groceries.
- A child who hides in her closet so she can't hear her parents fighting.
- A child who is cold because her family can't afford to pay the electric bill.
- A child who gets picked on at school because she lives in poverty.

Now imagine this was your child.

**Donate to the United Way of Chatham County
to create a brighter future for our children.**
